History of the CIA de Tim Weiner Ashes to Ashes Mouth Full of Ashes The Incredible Adventures of Ashes My Adoption Hall of Mosses Thieves of Ashes

With shocking revelations that made headlines in papers across the country, Pulitzer-Prize-winner Tim Weiner gets at the truth behind the CIA and uncovers here why nearly every CIA Director has left the agency in worse shape than when he found it; and how these profound failures jeopardize our national security. In the White Drake's war, the price of freedom is paid in blood and fire.... For hundreds of years, the Ironship Trading Syndicate was fueled by drake blood—and protected by the Blood-blessed, those few who could drink it and wield fearsome powers. But now the very thing that sustained the corporate world threatens to destroy it. A drake of unimaginable power has risen, and it commands an army of both beasts and men. Rogue Blood-blessed Claydon Torcreek, Syndicate agent Lizanne Lethridge and Ironship captain Corrick Hilemore have been spread to disparate corners of the world, but they are united in their desire to defeat the White Drake and the Spoiled who follow it. Humanity itself is at stake, but with the aid of ancient knowledge, revolutionary technology and unexpected allies, all hope is not lost. Saving the world will require sacrifice, as Clay, Lizanne and Hilemore will see all they know either consumed by flames or reborn from the ashes. Mourning the sudden loss of her sister, Callie Danoff wants nothing more than to embrace a fresh start in a new town, leaving the haunting memories of her sister's death behind. But when her brother Ramsay drags her to a spooky boardwalk,

the two become entangled with a local vampire gang and its enigmatic leader, Elijah. Callie refuses to accept their existence... until she and her brother unknowingly ingest vampire blood. Now, they only have three days before they turn into vampires themselves. With her carefree summer thwarted, Callie must trust a group she barely knows in order to save her family. Things are about to heat up. Alana is back on Earth in the custody of the War Lord. She isn't happy about it. Glenn is still in the Elemental World, coping as best he can. If he can crawl out of the bottle long enough, he just might be able to bring her back. Oh, and their world is on fire. Open up this final installment of *The Legends of Rune* and prepare to be entertained. You've waited long enough. This #1 internationally bestselling and award-winning memoir about overcoming trauma, prejudice, and addiction by a Métis-Cree author as he struggles to find a way back to himself and his Indigenous culture is “an illuminating, inside account of homelessness, a study of survival and freedom” (Amanda Lindhout, bestselling coauthor of *A House in the Sky*). Abandoned by his parents as a toddler, Jesse Thistle and his two brothers were cut off from all they knew when they were placed in the foster care system. Eventually placed with their paternal grandparents, the children often clashed with their tough-love attitude. Worse, the ghost of Jesse’s drug-addicted father seemed to haunt the memories of every member of the family. Soon, Jesse succumbed to a self-destructive cycle of drug and alcohol addiction and petty crime, resulting in more than a decade living on and off the streets. Facing struggles many of us cannot even imagine,

Jesse knew he would die unless he turned his life around. Through sheer perseverance and newfound love, he managed to find his way back into the loving embrace of his Indigenous culture and family. Now, in this heart-wrenching and triumphant memoir, Jesse Thistle honestly and fearlessly divulges his painful past, the abuse he endured, and the tragic truth about his parents. An eloquent exploration of the dangerous impact of prejudice and racism, *From the Ashes* is ultimately a celebration of love and “a story of courage and resilience certain to strike a chord with readers from many backgrounds” (Library Journal). This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Usher Evans comes an award-winning young adult fantasy series filled with masked mischief and mystery. Fans of *Throne of Glass* and *The Kiss of Deception* will get swept away in this brilliant series about a runaway-princess-turned-vigilante who must resume her royal duties when her father and brother are murdered. Blindsided by betrayal, Brynna has been licking her wounds far from the city she

called home. But the call to duty soon becomes too much to bear, and Brynna embarks on a quest for friends and allies who'll help her reclaim what was once hers. But vengeance comes with a heavy toll, one Brynna isn't sure she's willing to pay. The Veil of Ashes is the blockbuster sequel to The City of Veils, which Foreward Reviews calls, "entertaining from the first page to the last." Series Order The City of Veils The Veil of Ashes The Veil of Trust The Queen of Veils Praise for The Princess Vigilante Series ????? "Once I started, I didn't want to stop and I did cry a few times (just a few tear drops here and there)." - Goodreads Reviewer ????? "I related a lot to Brynna. We are both so stubborn and bullheaded, unwilling to admit fault, it made reading her story feel like I was reading about a piece of myself." - Goodreads Reviewer ????? "I've always loved books with snarky female leads who can kick some ass." - Goodreads Reviewer ????? "I highly suggest this book to anyone who read the Throne of Glass series. There are some similarities to the way the two women are in hiding and are thrust back into their royal titles. This book is full of great fight scenes, emotional blows, and great moments of laughter." - Goodreads Reviewer Search Terms: YA Fantasy, Princess, Assassin, Young Adult, magic, sorcery, myth, actions, female protagonist, novel, hero, fantasy, political, mystery, Young Adult Fantasy, Princess Fantasy, vigilante fantasy, epic fantasy, epic YA fantasy, YA epic fantasy, Young adult epic fantasy, clean romance 'This might well be his masterpiece' - MARK BILLINGHAM 'One of Ireland's finest crime writers' - STEVE CAVANAGH 'Chilling and compelling' - VAL

'Stunning' - MARK EDWARDS 'Brilliant' - ADRIAN McKINTY 'Haunting' - LIZ
NUGENT 'Superb' - WILL DEAN _____ For Sara Keane, it
was supposed to be a second chance. A new country. A new house. A new beginning with
her husband Damien. Then came the knock on the door. Elderly Mary Jackson can't
understand why Sara and her husband are living in her home. She remembers the fire, and
the house burning down. But she also remembers the children. The children who need her,
whom she must protect. 'The children will find you,' she tells Sara, because Mary knows she
needs help too. Sara soon becomes obsessed with what happened in that house nearly sixty
years ago - the tragic, bloody night her husband never intended for her to discover. And
Mary - silent for six decades - is finally ready to tell her story . . . The House of Ashes is the
stunning new 2022 thriller from the award-winning master of the genre, Stuart Neville -
perfect for fans of John Connolly, Alex North and Brian McGilloway. A sweeping history
of twentieth-century Europe that examines its unprecedented destruction—and abiding
promise A sweeping history of twentieth-century Europe, Out of Ashes tells the story of an
era of unparalleled violence and barbarity yet also of humanity, prosperity, and promise.
Konrad Jarausch describes how the European nations emerged from the nineteenth century
with high hopes for continued material progress and proud of their imperial command over
the globe, only to become embroiled in the bloodshed of World War I, which brought an

end to their optimism and gave rise to competing democratic, communist, and fascist ideologies. He shows how the 1920s witnessed renewed hope and a flourishing of modernist art and literature, but how the decade ended in economic collapse and gave rise to a second, more devastating world war and genocide on an unprecedented scale. Jarausch further explores how Western Europe surprisingly recovered due to American help and political integration. Finally, he examines how the Cold War pushed the divided continent to the brink of nuclear annihilation, and how the unforeseen triumph of liberal capitalism came to be threatened by Islamic fundamentalism, global economic crisis, and an uncertain future. A gripping narrative, *Out of Ashes* explores the paradox of the European encounter with modernity in the twentieth century, shedding new light on why it led to cataclysm, inhumanity, and self-destruction, but also social justice, democracy, and peace. The first volume in legendary master and New York Times bestselling author Raymond E. Feist's epic heroic fantasy series, *The Firemane Saga* - an electrifying tale of two young men whose choices will determine a world's destiny. "In the early morning of 18 April 1906, a massive earthquake struck the San Francisco Bay Area. The initial tremor was estimated at a 7.9 moment magnitude, leading to a conflagration that destroyed thousands of buildings, hundreds of millions of dollars of property, and led to the deaths of an estimated 3,000 individuals. In the hours following the earthquake a joint military force led by Brigadier General Frederick Funston of the US Army Department of California mobilized to provide

security, firefighting, and disaster relief. The Army's actions during the crisis were fraught with legal and practical problems, ultimately leading to the unnecessary destruction of tens of millions of dollars of property and untold civilian casualties. This study proposes that military leadership in firefighting and security efforts were culpable for the unnecessary loss of property and human life during the crisis, while the humanitarian and medical relief efforts were critical in the recovery of the city following the conflagration. The manuscript attempts to close the gap between civilian and military scholarship on this event and concludes with implications for Defense Support to Civil Authorities (DSCA) missions in the modern era"-- "Ashes of the Sun is fantasy at its finest"--Nicholas Eames, author of Kings of the Wyld Long ago, a magical war destroyed an empire, and a new one was built in its ashes. But still the old grudges simmer, and two siblings will fight on opposite sides to save their world in the start of Django Wexler's new epic fantasy trilogy. Gyre hasn't seen his beloved sister since their parents sold her to the mysterious Twilight Order. Now, twelve years after her disappearance, Gyre's sole focus is revenge, and he's willing to risk anything and anyone to claim enough power to destroy the Order. Chasing rumors of a fabled city protecting a powerful artifact, Gyre comes face-to-face with his lost sister. But she isn't who she once was. Trained to be a warrior, Maya wields magic for the Twilight Order's cause. Standing on opposite sides of a looming civil war, the two siblings will learn that not even the ties of blood will keep them from splitting the world in two. The world is blanketed in

ash. Gaia is gone, but she left specific instructions for the Champions with each of their corresponding elements. With careful timing and placement, she has orchestrated the perfect rebirth for Earth. Her magic is set to let the planet heal at a proper pace and her faith is placed in the Champions for a graceful resurrection of humanity. Little do they realize, they are not alone and a grave opposition is buried beneath the ruins. While the Champions and their followers were the only humans meant to endure the purge, pockets of unintended survivors manage to slip beneath the radar of Gaia's rage. Buried beneath the ash, they emerge months after the fallout, confused and determined to rebuild. Their goals do not align with that of nature and their presence in the new world will be a test of the Champions' resolve. Can they unite and join forces for the greater good? Or will their opposing outlooks for the rebuild of Earth cause tragic tensions? Though the Champions evolve rapidly into their elements with the help of Gaia's magic, it may not be enough to stop the force of all those who awoke, scorned and betrayed, beneath fields of ashes.

Excerpt from Acres of Ashes: The Story of the Great Fire That Swept Over the City of Jacksonville, Florida, on the Afternoon of Friday, May 3, 1901, Resulting in the Loss of Seven Lives, Destroying of \$15, 000, 000 in Property; Total Insurance Less Than \$5, 000, 000 The fuller relation of the history of the Jacksonville fire is a duty our city owes to itself as well as to those who visited her in want. It is fitting that the details of the picture be filled in lest some fail to realize the depths out of which a cry for help was forced from our lips -

it is required that we render an accounting by showing that good use was made of the supplies heaped in overflowing measure in answer to that call. This little book seeks but to do this - it but tells how the loss befell us, how bitter was our need, how generous was the response from the whole people and how fully the wishes of the donors were made a law to those clothed with the responsibility of the distribution, If this purpose is served it is well - less we could not do. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. This is a heartwarming story of a little kitten named Ashes who finds an amazing home filled with love after being abandoned in a storm. Ashes is a mischievous little kitten who loves his Human Mom. Together they have wonderful life adventures together. Both healing together after the lost of a beloved cat and Ashes the loss of his family. Clary continues trying to make sense of her swiftly changing life as she becomes further involved with the Shadowhunters and their pursuit of demons and discovers some terrifying truths about her parents and others close to her. This is a

reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. For fans of Gillian Flynn and Tana French, a chilling story of a Northern Irish murder sixty years buried Sara Keane's husband, Damien, has uprooted them from England and moved them to his native Northern Ireland for a "fresh start" in the wake of her nervous breakdown. Sara, who knows no one in Northern Ireland, is jobless, carless, friendless—all but a prisoner in her own house. When a blood-soaked old woman beats on the door, insisting the house is hers before being bundled back to her care facility, Sara begins to understand the house has a terrible history her husband never intended for her to discover. As the two women form a bond over their shared traumas, Sara finds the strength to stand up to her abuser, and Mary—silent for six decades—is finally ready to tell her story . . . Through the counterpoint voices—one modern Englishwoman, one Northern Irish farmgirl speaking from half a century earlier—Stuart Neville offers a chilling and gorgeous portrait of violence and resilience in this truly haunting narrative. This work has been selected by scholars as being culturally

important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. The first volume in legendary master and New York Times bestselling author Raymond E. Feist's epic heroic fantasy series, *The Firemane Saga*—an electrifying tale of two young men whose choices will determine a world's destiny. For centuries, the five greatest kingdoms of North and South Tembria, twin continents on the world of Garn, have coexisted in peace. But the balance of power is destroyed when four of the kingdoms violate an ancient covenant and betray the fifth: Ithrace, the Kingdom of Flames, ruled by Steveren Langene, known as "the Firemane" for his brilliant red hair. As war engulfs the world, Ithrace is destroyed and the Greater Realms

of Tembria are thrust into a dangerous struggle for supremacy. As a Free Lord, Baron Daylon Dumarch owes allegiance to no king. When an abandoned infant is found hidden in Daylon's pavilion, he realizes that the child must be the missing heir of the slain Steveren. The boy is valuable—and vulnerable. A cunning and patient man, Daylon decides to keep the baby's existence secret, and sends him to be raised on the Island of Coaltachin, home of the so-called Kingdom of Night, where the powerful and lethal Nocusara, the "Hidden Warriors," legendary assassins and spies, are trained. Years later, another orphan of mysterious provenance, a young man named Declan, earns his Masters rank as a weapons smith. Blessed with intelligence and skill, he unlocks the secret to forging King's Steel, the apex of a weapon maker's trade known by very few. Yet this precious knowledge is also deadly, and Declan is forced to leave his home to safeguard his life. Landing in Lord Daylon's provinces, he hopes to start anew. Soon, the two young men—an unknowing rightful heir to a throne and a brilliantly talented young swordsmith—will discover that their fates, and that of Garn, are entwined. The legendary, long-ago War of Betrayal has never truly ended . . . and they must discover the secret of who truly threatens their world. A rich and compelling epic fantasy with a touch of the strange, from the author of Above -- now in paperback! The strange war down south -- with its rumours of gods and monsters -- is over. And while 16-year-old Hallie and her sister wait to see who will return from the distant battlefield, they struggle to maintain their family farm. When Hallie hires a veteran

to help them, the war comes home in ways no one could have imagined. Soon Hallie is taking dangerous risks -- and keeping desperate secrets. But even as she slowly learns more about the war and the men who fought it, ugly truths about Hallie's own family are emerging. And while monsters and armies are converging on the small farm, the greatest threat to Hallie's home may be Hallie herself. When a dark secret from her past is exposed and the body of her last remaining brother, who was wanted for murder, is found, governess Nell Sweeney must enter the criminal underworld to find the truth, while dealing with rumors that she might be carrying her employer's child. Original. Knox and Harper's story continues as the Las Vegas lair - and its two infamous Co-Primes - face their most terrifying enemy yet . . . Together, Harper and Knox have overcome just about every evil thing you can think of - from Horsemen of the Apocalypse to dark magic practitioners to Lucifer's insistent belief that he's hilarious. They're looking forward to some well-earned downtime - until Harper is attacked by mercenaries in the middle of her tattoo shop. Worse still, the attackers are trying to take her wings - the ones no one is meant to know she even has. It's a near miss and once a furious Knox has managed to pull his demon back into line there's only one thing clear - someone knows Harper's secrets and is systematically setting out to destroy her. It seems likely that someone is the third Horseman - but how do they know so much about Harper? It seems the impossible might be true - they have an enemy hiding at the very heart of the lair. To survive Harper will need to embrace power that's darker than

she's ever experienced and even Knox can't protect her from everything - though God knows nothing's going to stop him trying. The stakes have never been higher, for if Harper's taken by this new threat, Knox won't be able to stop his demon from taking a vicious pleasure in tearing the world apart . . . _____ Find out why readers everywhere are obsessed with Suzanne Wright 'It's been two minutes since my last fix and I need Suzanne Wright to give me more' Edgy Reviews 'No words to describe how much I ADORE this extraordinary and magical read!' Aurora B's Book Blog 'Unique, original and very entertaining' Ramblings from this Chick 'Run, don't walk, to your preferred device and click this title immediately. The worst that will happen is you will be compelled to read everything she has ever written!' Amazon Reviewer, 5 stars 'Just read it. NOW! A gigantic 5 FREAKING STARS!' Amazon Reviewer, 5 stars Aside from her dad, who passed away when she was six, Cassidy Jameson has only ever trusted one man: her best friend, Tyler. So of course she follows him to Texas when he leaves for college. She just didn't expect to be so drawn to their new roommate, Gage, a gorgeous guy with a husky Southern drawl. The only problem? He's Tyler's cousin. Gage Carson was excited to share an apartment off campus

with his cousin. He didn't mind that Tyler was bringing the mysterious friend he'd heard about since they were kids . . . until the most beautiful girl he's ever seen jumps out of his cousin's Jeep. There's something about Cassi that makes Gage want to give her everything. Too bad Tyler has warned him that she's strictly off-limits. Despite everything keeping them apart, Cassi and Gage dance dangerously close to the touch they've both been craving. But when disaster sends her running into Tyler's arms, Cassi will have to decide whether to face the demons of her past . . . or to burn her chance at a future with Gage. In the White Drake's war, the price of freedom is paid in blood and fire... For hundreds of years, the Ironship Trading Syndicate was fueled by drake blood—and protected by the Blood-blessed, those few who could drink it and wield fearsome powers. But now the very thing that sustained the corporate world threatens to destroy it. A drake of unimaginable power has risen, and it commands an army of both beasts and men. Rogue Blood-blessed Claydon Torcreek, Syndicate agent Lizanne Lethridge and Ironship captain Corrick Hilemore have been spread to disparate corners of the world, but they are united in their desire to defeat the White Drake and the Spoiled who follow it. Humanity itself is at stake, but with the aid of ancient knowledge, revolutionary technology and unexpected allies, all hope is not lost. Saving the world will require sacrifice, as Clay, Lizanne and Hilemore will see all they know either consumed by flames or reborn from the ashes. An inventive, wholly original look at the complex psyche of Eastern Europe in the wake of the revolutions of 1989 and

the opening of the communist archives. In the tradition of Timothy Garton Ash's *The File*, Yale historian and prize-winning author Marci Shore draws upon intimate understanding to illuminate the afterlife of totalitarianism. *The Taste of Ashes* spans from Berlin to Moscow, moving from Vienna in Europe's west through Prague, Bratislava, Warsaw and Bucharest to Vilnius and Kiev in the post-communist east. The result is a shimmering literary examination of the ghost of communism – no longer Marx's "specter to come" but a haunting presence of the past. Marci Shore builds her history around people she came to know over the course of the two decades since communism came to an end in Eastern Europe: her colleagues and friends, once-communists and once-dissidents, the accusers and the accused, the interrogators and the interrogated, Zionists, Bundists, Stalinists and their children and grandchildren. For them, the post-communist moment has not closed but rather has summoned up the past: revolution in 1968, Stalinism, the Second World War, the Holocaust. The end of communism had a dark side. As Shore pulls the reader into her journey of discovery, reading the archival records of people who are themselves confronting the traumas of former lives, she reveals the intertwining of the personal and the political, of love and cruelty, of intimacy and betrayal. The result is a lyrical, touching, and sometimes heartbreaking, portrayal of how history moves and what history means. A comprehensive exploration of the final four decades of David Bowie's musical career—covering every song he wrote, performed, or produced *In Ashes to Ashes*, the ultimate David Bowie expert

offers a song-by-song retrospective of the legendary pop star's musical career from 1976 to 2016. Starting with *Low*, the first of Bowie's Berlin albums, and finishing with *Blackstar*—his final masterpiece released just days before his death in 2016—each song is annotated in depth and explored in essays that touch upon the song's creation, production, influences and impact. **BOOK ONE IN THE NEW YORK TIMES BESTSELLING SERIES** Instant New York Times bestseller From #1 New York Times bestselling author Sabaa Tahir Amazon's Best Young Adult Book of 2015 People's Choice Award winner - Favorite Fantasy Bustle's Best Young Adult Book of 2015 "This novel is a harrowing, haunting reminder of what it means to be human -- and how hope might be kindled in the midst of oppression and fear." -- The Washington Post "An Ember in the Ashes could launch Sabaa Tahir into JK Rowling territory...It has the addictive quality of The Hunger Games combined with the fantasy of Harry Potter and the brutality of Game of Thrones."-- Public Radio International "An Ember in the Ashes glows, burns, and smolders--as beautiful and radiant as it is searing."--Huffington Post "A worthy novel - and one as brave as its characters." --The New York Times Book Review Laia is a slave. Elias is a soldier. Neither is free. Under the Martial Empire, defiance is met with death. Those who do not vow their blood and bodies to the Emperor risk the execution of their loved ones and the destruction of all they hold dear. It is in this brutal world, inspired by ancient Rome, that Laia lives with her grandparents and older brother. The family ekes out an existence in the

Empire's impoverished backstreets. They do not challenge the Empire. They've seen what happens to those who do. But when Laia's brother is arrested for treason, Laia is forced to make a decision. In exchange for help from rebels who promise to rescue her brother, she will risk her life to spy for them from within the Empire's greatest military academy. There, Laia meets Elias, the school's finest soldier--and secretly, its most unwilling. Elias wants only to be free of the tyranny he's being trained to enforce. He and Laia will soon realize that their destinies are intertwined--and that their choices will change the fate of the Empire itself. The kiss was just the beginning . . .

The second book in Rhiannon Thomas's epic retelling of *Sleeping Beauty* combines adventure, magic, and romance for a sweeping fantasy about one girl's journey to fulfill her destiny. Aurora was supposed to be her kingdom's savior. But when she was forced to decide between being loyal to the crown and loyal to her country, she set events in motion that branded her a traitor. Now, hunted by the king's soldiers, Aurora's only chance of freeing her kingdom from the king's tyrannical rule is by learning to control her magic. But Aurora's powers come at a price—one that forces her to leave the only home she's ever known, one that demands she choose between the man she loves and the people she seeks to protect, and one that will cause her to unravel the mysteries surrounding the curse that was placed on her over a century before . . . and uncover the truth about her destiny.

Rebecca Parker was a young minister in Seattle when a woman walked into her church and asked if God really wanted her to accept her husband's

beatings and bear them gladly, as Jesus bore the cross. Parker knew, at that moment, that if she were to answer the woman's question truthfully she would have to rethink her theology. And she would have to think hard about some of the choices she was making in her own life. When Rita Nakashima Brock was a young child growing up in Kansas, kids taunted her viciously, calling her names like "Chink" or "Jap." She learned to pretend that she did not feel the sting of scorn and the humiliation of contempt. The solitude and silence of her suffering-decreed by both her mother's Japanese culture and her father's Christian heritage-kept the wound alive. It was the gap between knowledge born of personal experience and traditional theology that led Rita Brock and Rebecca Parker to write this emotionally gripping and intellectually rich exploration of the doctrine of the atonement. Using an unusual combination of memoir and theology in the tradition of Augustine's Confessions, they lament the inadequacy of how Christian tradition has interpreted the violence that happened to Jesus. Ultimately, they argue, the idea that the death of Jesus on the cross saves us reveals a sanctioning of violence at the heart of Christianity. Brock and Parker draw on a wide array of intimate stories about family violence, the sexual abuse of children, racism, homophobia, and war to reveal how they came to understand the widespread damage being done by this theology. But the authors also undertake their own arduous and unexpected journeys to recover from violence and to assist others to do so. On these journeys they discover communities that begin to give them the strength to question the destructive ideas

they have internalized, and the strength to seek out an alternative vision of Christianity, one based on healing and love. Proverbs of Ashes is both a condemnation of bad theology and a passionate search for what truly saves us. From the Trade Paperback edition. An electromagnetic pulse flashes across the sky, destroying every electronic device, wiping out every computerized system, and killing billions. When it happens, Alex was hiking in the woods to say good-bye to her dead parents and her personal demons. Now desperate to find out what happened after the pulse crushes her to the ground, Alex meets up with Tom—a young soldier—and Ellie, a girl whose grandfather was killed by the EMP. For this improvised family and the others who are spared, it's now a question of who can be trusted and who is no longer human. Author Ilsa J. Bick crafts a terrifying and thrilling novel about a world that could be ours at any moment, where those left standing must learn what it means not just to survive, but to live amidst the devastation. A Reaper's Creed. An Oath to keep. A Soul to save. Just as Xavier began his training as a Reaper Knight, he was flung off a cliff by an assassin sent to kill the Princess of Death, and vanished into the ocean. But Xavier's NecroSeam somehow stitched itself to another living vessel, connecting his soul to someone who shared half his necromantic ability... His twin brother. The co-existing brothers secretly embark on a mission up to the sun-kissed Land Realm in search of Xavier's missing body, only to discover this surface realm is on the brink of war. Before they can be normal again, the twin Reapers must battle colossal dragons and legions of soul-

eating creatures controlled by an ancient demon queen. As Death Knights-in-training, they took an oath... and now there's more than one soul to save. At the height of his wealth, powerful and envied, isolated in the splendor of his mansion on the Hudson, lives a man condemned to unhappiness. This man is Gatsby, an ex-gangster locked in his own mysterious profession, in a false past from which emerges at times the memory of a single pure youthful love. The young Nick Carraway, the narrator of the novel, moves to New York in the summer of 1922 and rents a house in the prestigious and dreamy Long Island, inhabited by many newly rich people frantically engaged in celebrating each other. One neighbor strikes Nick in particular: the mysterious Jay Gatsby, who lives in a huge, gaudy house, filling it every Saturday night with guests at his extravagant parties. Yet he lives in desperate loneliness and in senseless love for Nick's cousin Daisy.... In the setting of a brilliant and unsatisfied society, where the world of alcohol smugglers mixes with that of bankers and stars, Gatsby desperately pursues his dream of love for Daisy. To no avail now is its power, except to arouse in both lovers a sweet madness, which will end in tragedy. Return to the American Revolution in this blistering conclusion to the trilogy that began with the bestselling National Book Award Finalist "Chains" and continued with the acclaimed "Forge." Student journalist fights anti-fae prejudices to find the truth behind boarding school disappearances and clear her best friend's name. Résumé - Legacy of Ashes - The History of the CIA de Tim Weiner Tim Weiner est journaliste au "New York Times"

et lauréat du prix Pulitzer. Dans cette étude très fouillée, il décrypte les mécanismes internes des échecs répétés de la CIA sur la scène internationale. Surtout, il dévoile les mensonges répétés de l'Agence aux plus hauts responsables américains, dont les présidents eux-mêmes, minorant ainsi de manière radicale la crédibilité de cette institution faite pour apporter une aide à la décision. L'auteur met également l'accent sur le danger que représente l'inefficacité de la CIA pour la sécurité nationale américaine.

A female undertaker in Victorian London suspects death by unnatural causes in a mystery “rich with historical incidents and details” (Publishers Weekly). Only a woman with an iron backbone could succeed as an undertaker in Victorian England, but Violet Morgan takes great pride in her trade. While her husband, Graham, is preoccupied with elevating their station in society, Violet is cultivating a sterling reputation for Morgan Undertaking. She is empathetic, well-versed in funeral fashions, and comfortable with death’s role in life—until its chilling rattle comes knocking on her own front door. Violet’s peculiar but happy life soon begins to unravel as Graham becomes obsessed with his own demons and all but abandons her as he plans a vengeful scheme. And the solace she's always found in her work evaporates like a departing soul when she suspects that some of the deceased she's dressed have been murdered. When Graham disappears, Violet takes full control of the business and is commissioned for an undertaking of royal proportions. But she's certain there's a killer lurking in the London fog, and the next funeral may be her own. With equal parts courage, compassion, and intrigue, Christine

Trent tells an unrestrained tale of love and loss in the rigidly decorous world of Victorian society. Praise for the novels of Christine Trent “Genuinely engrossing.”—Publishers Weekly “Exuberant, sparkling, beguiling. . . brims with Dickensian gusto!”—Barbara Kyle, author of *The Queen's Lady* “Winningly original...glittering with atmospheric detail!”—Leslie Carroll, author of *Royal Affairs* Princess Bennua is to be married. Life in the desert of Sahrahn is harsh and barren and her father, the sultan Hanif, wants his daughter protected. He has chosen a powerful (yet cruel) warlord to be her husband, and putting duty before all, Bennua agrees. The wedding is halted in its place, however, when the infamous Raider Prince, king of thieves and leader of the dark city Ashana, arrives and threatens to overrun Bennua's home unless one of the royal family agrees to accompany him on his travels. Taking her brother's place, Bennua makes a pact to follow the band of thieves back to Ashana, and to learn from their scoundrel way of life. Bennua begins to plan her escape, but the more she learns from the troupe of bandits the more she finds herself becoming one of the them...all while falling hard for their leader, the Raider Prince himself.
