Lucas O'Reilly did things his way... and as founder and mayor of Thunder Canyon, he answered to no one—he liked it that way. Except lately, now that he owned one of the bigger spreads, and richer mines, under the wide Montana sky, he'd been thinking a wife would be nice. Maybe an agreeable little woman to brighten his house—and warm his bed. A mail-order bride would be one special delivery, he decides. But what he got instead was a surprise package with a firecracker inside named Jennifer Alston. Sassy and opinionated, she was not what he'd expected—but exactly what he needed, in spite of himself! Alone in the world, teenaged Hattie is driven to "prove up" on her uncle's homesteading claim in Montana. Despite everything, Hattie's determined to stay until a tragedy causes her to discover the true meaning of home. Pursuing a career as an arson investigator after a fire destroys her family's pizzeria, Reena Hale embarks on a relationship with Bo Goodnight and finds herself targeted by an arsonist who taunts her with threatening phone calls. In Painted Montana Sky, a NOVELLA from the acclaimed Montana Sky Series, USA Today bestselling author Debra Holland brings together two people who have turned their backs

on love and relationships. In 1894, Lily Maxwell, aspiring painter, travels to Sweetwater Springs, Montana, with her precious cocker spaniel to work on an artistic project that could launch her career. For years, Lily has denied herself happiness because of her equestrian accident that left her with a damaged hip, a limp, and a sense of unworthiness. Her inability to bear children has kept her from giving her heart to anyone. After rancher Tyler Dunn's wife abandoned him and their son, he wants nothing to do with women. But this new girl in town, with her lovely violet eyes and her wonderful talent, stirs feelings in Tyler. After Tyler rescues Lily's dog from being swept away by the river, Lily develops a friendship with him, the people on his ranch, and his young son, Oliver. Yet the two of them dare not give in to their feelings for each other. Can these lonely souls find their hearts' desires under the majestic Montana Sky? "The Montana Sky series is definitely one that I would recommend to historical romance lovers or for anyone looking for a romance that is just a simple sweet romance." Iconoclastic detective Jackson Brodie returns in a triumphant new novel about secrets, sex, and lies. Jackson Brodie has relocated to

a quiet seaside village, in the occasional company of his recalcitrant teenage son and an aging Labrador, both at the discretion of his ex-partner Julia. It's picturesque, but there's something darker lurking behind the scenes. Jackson's current job, gathering proof of an unfaithful husband for his suspicious wife, is fairly standard-issue, but a chance encounter with a desperate man on a crumbling cliff leads him into a sinister network -- and back across the path of his old friend Reggie. Old secrets and new lies intersect in this breathtaking novel by one of the most dazzling and surprising writers at work today. "Thank goodness the long Jackson Brodie hiatus is over." --Janet Maslin, New York Times

The telegram Samantha Sawyer Rodriguez holds is her key to freedom: her late uncle, Ezra, has left her his ranch in Sweetwater Springs, Montana. At last, she and her young son will have a true home, and she can finally pursue her dreams of raising her prized miniature horses and building a sanctuary for wayward orphans. Prosperous rancher Wyatt Thompson has long coveted that river property. It's bad enough that Ezra's niece refuses to sell it, but worse by far that she's stubborn, proud, and breathtakingly beautiful. The lovely widow and her adopted sons awaken memories of a shameful past he's struggled to overcome. Yet when Samantha's safety is threatened, he'll risk everything to save the unexpected family he's come to cherish.

National Book Award Finalist: A "beautifully written, deeply felt" memoir about growing up in the American West (Los Angeles Times). Ivan Doig grew up in the rugged wilderness of western Montana among the shepherders and denizens of small-town saloons and valley ranches. What he deciphers from his past with piercing clarity is not only a raw sense of land and how it shapes us, but also of the ties to our mothers and fathers, to those who love us, and our inextricable connection to those who shaped our values in our search

for intimacy, independence, love, and family. A powerfully told story, *This House of Sky* is uniquely American—yet also universal in its ability to awaken a longing for an explicable past. “Engrossing and moving.”—*Time* Tracing more than two centuries of history, *Shakespeare in Montana* uncovers a vast array of different voices that capture the state’s love affair with the world’s most famous writer. From mountain men, pioneers, and itinerant acting companies in mining camps to women’s clubs at the turn of the twentieth century and the contemporary popularity of Shakespeare in the Parks throughout Montana, the book chronicles the stories of residents across this incredible western state who have been attracted to the words and works of Shakespeare. Minton explores this unique relationship found in the Treasure State and provides considerable insight into the myriad places and times in which Shakespeare’s words have been heard and discussed. By revealing what Shakespeare has meant to the people of Montana, Minton offers us a better understanding of the state’s citizens and history while providing a key perspective on Shakespeare’s enduring global influence. A caravan driven at breakneck speed through the hills of Montana is the least of Magdalena Baxter's concerns. Evicted from their home, and due to soon give birth, the Gypsy woman is forced to follow her husband, Oswald, a drunk and abusive miner who hopes to find work in a neighboring town. Despite calling Sweetwater Springs home, wealthy banker Caleb Livingston clings to his elitist East Coast ways. While this may have brought him prestige, he's missed out on romance at every turn. When Caleb's buggy collides with the Baxters' caravan, Oswald is instantly killed and Maggie goes into labor. Caleb manages to keep his guilt and terror at bay long enough to make her comfortable and deliver her baby, a harrowing and ultimately endearing experience. Can Maggie—now stranded with her

newborn child--learn to trust again? Will Caleb overcome his sense of obligation and highbrow conceit to open his heart to lasting love? Battle for the Big Sky delves into one of the few competitive races of the 2012 election: the US Senate campaign in Montana. Author David C.W. Parker was granted exceptional access by both candidates over the 21 months preceding the election, allowing him to tell the story of the race in rare and fascinating detail, while also exploring the impact of Citizens United and so-called "dark money" on the campaign. The Montana setting offers readers a view into the rising political influence of the West, the importance of "place" in politics, and the impact of congressional styles and constituent relationships on campaigns and elections. Parker skillfully weaves political analysis into his narrative and places the race in the broader context of congressional elections and the research literature.

Edgar Award Finalist: The "exciting" true story of the abduction of biathlete Kari Swenson and the five-month manhunt to bring her tormentors to justice (The New York Times Book Review). Former rodeo cowboy Johnny France had been sheriff of Madison County, Montana, for three years when Kari Swenson, a Bozeman resident training for the World Biathlon Championship, went missing near Big Sky Resort in July 1984. Her friends feared that Kari had been attacked by a grizzly bear, but the truth was far scarier: She'd

been kidnapped at gunpoint by father-and-son survivalists Don and Dan Nichols. The pair had been living in the wilderness off and on for years and hoped to make Kari a "mountain woman" and Dan's bride. But the plan went horribly wrong from the start, and after a deadly firefight with rescuers, the kidnapers vanished into the rugged terrain of the Spanish Peaks. As Montana's summer froze into brutal winter blizzards, SWAT teams, forest rangers, and antiterrorist units searched the backcountry but sighted the mountain men only once. Then came the call about a strange campfire on a slope above the Madison River. Sheriff France decided to go into the forest to face the fugitives—alone. The resulting showdown made him "perhaps the most famous Western sheriff since Wyatt Earp . . . a modern legend" (Chicago Tribune). Incident at Big Sky is an "amazing . . . exciting retelling of a modern crime" that made headlines around the world (The New York Times Book Review). In a voice as distinctive and compelling as the Montana landscape, France takes readers on a high-stakes adventure so bizarre and unforgettable it could only be true.
