Savvy professionals recognize an expanding market and develop the products and services to tap into it. For the aesthetician, that expanding market segment

is the multi-ethnic clientele and the tool to help achieve success in this segment is Milady's Aesthetician Series: Treating Diverse Pigmentation. Building a successful career in aesthetics hinges on the ability to identify and treat the skin concerns of this diverse population. Treating Diverse Pigmentation teaches treatments for skin of color that include: the causes of aging and how it affects each race's unique facial anatomy; a guide through several different skin analysis classification systems; review studies analyzing the racial differences in the anatomy, physiology, and histology of pigmented skin; and case-by-case studies that help the reader recognize skin diseases and disorders common to people of color. The text was created for licensed aestheticians and other professionals working in skincare, including RNs and dermatologists, as well as students. Considering that the majority of the world's population is ethnically diverse, the aesthetic professional with an eye on the future will not hesitate to take advantage of Treating Diverse Pigmentation. The Essential Companion provides six easy-to-follow features--Essential Objectives, Essential Subjects, Essential Concepts, Essential Exercises, Essential Review, and Essential Notes--that enables students to identify, comprehend, and retain the key concepts necessary for success in licensure and the professional environment. Milady's Standard Study Guide: The Essential Companion is a colorful new study guide that helps students recognize, understand, and retain the key concepts presented in each chapter of the Standard Textbook of Cosmetology with student-lead exercises that require minimal educator assistance. Created by Letha Barnes, the author of The Standard Course Management Guide along with the help of instructional design professionals, the Study Guide provides five easy-to-follow features that enable students to recognize, understand, and retain the key concepts necessary for success in licensure and the professional environment. Accompanying each chapter of the Standard Textbook, these five easy-to-follow features - Essential Objectives, Essential Subjects, Essential Concepts, Essential Review and Essential Notes -- open up the ideas and concepts for all learner types, enabling each student to approach the content in the manner that works best for him or her. Printed in an attractive full-color design, the Study Guide is a tool that will help students of all abilities learn while engaging them in the theory and practical aspects so important to their licensing and professional success. The five essentials interpret and explain difficult ideas or concepts and then engage students in activities that will illustrate the ideas and concepts, making them more understandable and more relative. Students then learn ways to remember

the important points and are also encouraged to record their ideas in a way that helps them retain the content. This process makes the ideas truly personal - and therefore important to them and as a result. Retention increases and content becomes more meaningful. Provides questions and answers similar to what is found on state licensing exams in cosmetology. This is the primary supplement to Milady's Standard Nail Technology Revised. The Exam Review contains chapter-by-chapter questions in a multiple-choice format to help students prepare for their state board exams. The answer key at the back of the book allows students to check accuracy and identify weak areas. Milady's Skin Care and Cosmetic Ingredients Dictionary, third edition, is a multi-purpose resource for cosmetic professionals and consumers alike. Part one puts cosmetics in the context of skin care. It provides an overview of skin physiology. In order to understand how and why a product works it is essential to understand how the skin works. It gives an overview of the complexity of cosmetic chemistry particularly with respect to product penetration, and highlights the current challenges facing cosmetic formulators. In addition, it offers comprehensive discussion of the various skin types and conditions in order to help professionals in their product selection. Lastly, it defines common cosmetic industry terminology used by cosmetic manufacturers, professional estheticians, marketers and the media. The second part is dedicated to helping cosmetic users identify the function and purpose of specific ingredients. It is an alphabetical dictionary that lists and describes not only active principles but all other categories of ingredients that comprise a skin care cosmetic. As scientific knowledge of skin physiology and cosmetic chemistry advances, so do cosmetic products. This volume puts everything in context in an easy to read, easy to understand, user-friendly format. Milady's Standard Textbook of Cosmetology has led the way in cosmetology education for 80 years by changing to meet the evolving needs of students and the market. Having been developed after extensive analysis by educational design experts, this textbook exhibits the most sophisticated methods for relaying information, stimulating thought, aiding comprehension, and enhancing retention. Milady's Standard Cosmetology provides students with the information they will need to pass the licensure exams as well as the most contemporary techniques to ensure success once they are on the job. This revision features a fresh new layout, reorganized chapters, and new photography and illustrations to provide an open, easy-to-follow format that students need with the reliability that is the hallmark of Milady. This edition of Milady's Standard Cosmetology is organized into six parts containing 32 chapters, each written by an industry expert in the field, creating an immediate connection to the professional

world. New information on many subjects, including sanitation and infection control, and haircoloring has been included. The result is the most reliable cosmetology textbook available, one that covers all essential information in a contemporary, easy-to-use manner. While Milady's Standard Cosmetology is the center of the curriculum, students and educators have a wide range of supplements from which to choose. All supplements have been revised and updated to complement the new edition of the textbook.
