Sweet Dreams, Sarah Aug 17 2022 Describes the life of Sarah Goode, who was born a slave and grew up to invent a space-saving foldable bed and became the first African American woman to obtain a patent in the United States.

Master the Marathon Oct 19 2022 "A must-have for any woman targeting the distance." —*Runner's World* A no-nonsense, interactive guide that empowers all women at all levels to run their strongest, best marathon ever As recently as 1966, women were forbidden to run in the marathon.

Professionals—including doctors—believed it was physically impossible and dangerous for women to run more than a mile and a half. But as with many other barriers women have faced over time, we fought our way in. Today, women make up almost half of the marathoning population. Yet most marathon training manuals are written by men. And while these men are experts when it comes to how men can and should train, women need training programs tailored to our bodies—to our unique strengths and weaknesses—so that we can avoid injuries and run at our peak. The programming in this book was created by a woman, specifically for women. Master the Marathon is a comprehensive guide to marathon training for women at all levels of running—beginner, intermediate, and advanced. The book takes you through everything you need to know to be prepared for the 26.2 miles of the marathon, including detailed training plans, strength training programs, building your mental awareness of your physical body, nutrition, guidance on finding the best marathon for you, identifying and avoiding potential injuries, inspirational advice, and other unexpected pieces of wisdom. Both incredibly practical and deeply motivating, Master the Marathon will help you unlock the strength and determination inside you to embark on the spectacular journey that is the marathon.

Yank (Coming of Age New Adult College Romance) Jan 22 2023 NEW YORK TIMES BESTSELLING and AWARD WINNING AUTHOR SELENA KITT - OVER 2 MILLION BOOKS SOLD! ----- David has been brightening up his gray Surrey, England days with the magazine collection hidden in the shed but when he finds that their American foreign exchange student, Dawn, has discovered his magazines, things really begin to heat up. David's is supposed to be looking for a job, but Dawn has the week off and is determined to work on her tan. Distracted David finds himself increasingly tempted by their seductive foreign exchange student, who makes it very clear what she wants. In spite of the Study Abroad program's strict policy against fraternizing, Dawn's teasing ways slowly break down the barrier between them until they both give in to their lust. But what are they going to do about the feelings that have developed between them in the meantime? NOTE: Previously titled Foreign Exchange, this is a slightly less naughty, but no less sexy re-telling--updated and redressed for your reading pleasure. EXCERPT: "David?" I woke up with a grunt, hearing my name being hissed from beside the bed. It was dark, but I could make out her outline in the moonlight coming through the window. She was on her hands and knees, crawling toward me. "Dawn?" I felt her find the bed with a thud. "Ow." She whimpered. "Christ!" I reached for her, groping in the dark. My hand found her arm, helping her up into the bed. "What are you doing?" "Ta," she said, thanking me. I could smell the alcohol on her now. "It's a long way when you're legless." "Shhhh!" I looked toward my door. I was listening for my Mum or Dad but didn't hear them. "C'mon, let's get you to bed." "That's where I am." She crawled up against me in the dark and pressed me down, snuggling up against my bare chest. "Hey, you sleep naked! When did you start that?" "Since I was fourteen," I whispered. "Keep your voice down, Dawn." "I am." She kissed my shoulder. "You feel good." "Okay." I tried to untangle her limbs from mine. "You are pretty well lashed, and I think this is a bad idea. C'mon, let's go." "Noooo!" She slid her bare foot up the inside of my calf. She'd lost her heels somewhere, I noticed, but I could feel the skirt and blouse pressed against me, her body full and warm underneath, flushed from the alcohol. "Don't make me go." "I think you'd better." I tried to sit, but she was clinging to me too tightly. "I'll scream," she whispered into my ear, her breath hot against my neck. "You will not." I edged my way out from under her. I heard her intake of breath and knew she really meant to do it. What was wrong with her? Panicked, I rolled onto her, finding her mouth with my hand in the dark and pressing it there, hard. "Button it!" I hissed, feeling her wiggling and squirming underneath me. Her skirt was riding high up and I felt her bare thighs against mine, her skin like velvet. "Unbutton it," she murmured when I moved my hand away from her mouth, her fingers working her blouse from top to bottom between us. Trigger Happy Apr 01 2021 *The Edge* calls *Trigger Happy* a "seminal piece of work." For the first time ever, an aficionado with a knowledge of art, culture, and a real love of gaming takes a critical look at the future of our videogames, and compares their aesthetic and economic impact on society to that of film. Thirty years after the invention of the simplest of games, more videogames are played by adults than children. This revolutionary book is the first-ever academically worthy and deeply engaging critique of one of today's most popular forms of play: videogames are on track to supersede movies as the most innovative form of entertainment in the new century.

The Barrister Oct 15 2019

For a New Liberty: The Libertarian Manifesto Jul 24 2020

A Tree Grows in Brooklyn Nov 15 2019 The beloved American classic about a young girl's coming-of-age at the turn of the century, Betty Smith's *A Tree Grows in Brooklyn* is a poignant and moving tale filled with compassion and cruelty, laughter and heartache, crowded with life and people and incident. The story of young, sensitive, and idealistic Francie Nolan and her bittersweet formative years in the slums of Williamsburg has enchanted and inspired millions of readers for more than sixty years. By turns overwhelming, sublime, heartbreaking, and uplifting, the daily experiences of the unforgettable Nolans are raw with honesty and tenderly threaded with family connectedness -- in a work of literary art that brilliantly captures a unique time and place as well as incredibly rich moments of universal experience.

Crossing the Quality Chasm May 22 2020 Second in a series of publications from the Institute of Medicine's Quality of Health Care in America project Today's health care providers have more research findings and more technology available to them than ever before. Yet recent reports have raised serious doubts about the quality of health care in America. *Crossing the Quality Chasm* makes an urgent call for fundamental change to close the quality gap. This book recommends a sweeping redesign of the American health care system and provides overarching principles for specific direction for policymakers, health care leaders, clinicians, regulators, purchasers, and others. In this comprehensive volume the committee offers: A set of performance expectations for the 21st century health care system. A set of 10 new rules to guide patient-clinician relationships. A suggested organizing framework to better align the incentives inherent in payment and accountability with improvements in quality. Key steps to promote evidence-based practice and strengthen clinical information systems. Analyzing health care organizations as complex systems, *Crossing the Quality Chasm* also documents the causes of the quality gap, identifies current practices that impede quality care, and explores how systems approaches can be used to implement change.

The Nolan Variations Mar 12 2022 An in-depth look at Christopher Nolan, considered to be the most profound, commercially successful director at work today, written with his full cooperation. A rare, revelatory portrait, "as close as you're ever going to get to the Escher drawing that is Christopher Nolan's remarkable brain" (Sam Mendes). In chapters structured by themes and motifs ("Time"; "Chaos"; "Dreams"), Shone offers an unprecedented intimate view of the director. Shone explores Nolan's thoughts on his influences, his vision, his enigmatic childhood past--and his movies, from plots and emotion to identity and perception, including his latest blockbuster, the action-thriller/spy-fi *Tenet* ("Big, brashly beautiful, grandiosely enjoyable"--*Variety*). Filled with the director's never-before-seen photographs, storyboards, and scene sketches, here is Nolan on the evolution of his pictures, and the writers, artists, directors, and thinkers who have inspired and informed his films. "Fabulous: intelligent, illuminating, rigorous, and highly readable. The very model of what a filmmaking study should be. Essential reading for anyone who cares about Nolan or about film for that matter."--Neal Gabler, author of *An Empire of Their Own: How the Jews Invented Hollywood and Walt Disney*, *The Biography*

Gandhi Before India May 14 2022 Here is the first volume of a magisterial biography of Mohandas Gandhi that gives us the most illuminating portrait we have had of the life, the work and the historical context of one of the most abidingly influential—and controversial—men in modern history. Ramachandra Guha—hailed by *Time* as "Indian democracy's preeminent chronicler"—takes us from Gandhi's birth in 1869 through his upbringing in Gujarat, his two years as a student in London and his two decades as a lawyer and community organizer in South Africa. Guha has uncovered myriad previously untapped documents, including private papers of Gandhi's contemporaries and co-workers; contemporary newspapers and court documents; the writings of Gandhi's children; and secret files kept by British Empire functionaries. Using this wealth of material in an exuberant, brilliantly nuanced and detailed narrative, Guha describes the social, political and personal worlds inside of which Gandhi began the

journey that would earn him the honorific Mahatma: "Great Soul." And, more clearly than ever before, he elucidates how Gandhi's work in South Africa—far from being a mere prelude to his accomplishments in India—was profoundly influential in his evolution as a family man, political thinker, social reformer and, ultimately, beloved leader. In 1893, when Gandhi set sail for South Africa, he was a twenty-three-year-old lawyer who had failed to establish himself in India. In this remarkable biography, the author makes clear the fundamental ways in which Gandhi's ideas were shaped before his return to India in 1915. It was during his years in England and South Africa, Guha shows us, that Gandhi came to understand the nature of imperialism and racism; and in South Africa that he forged the philosophy and techniques that would undermine and eventually overthrow the British Raj. Gandhi Before India gives us equally vivid portraits of the man and the world he lived in: a world of sharp contrasts among the coastal culture of his birthplace, High Victorian London, and colonial South Africa. It explores in abundant detail Gandhi's experiments with dissident cults such as the Tolstoyans; his friendships with radical Jews, heterodox Christians and devout Muslims; his enmities and rivalries; and his often overlooked failures as a husband and father. It tells the dramatic, profoundly moving story of how Gandhi inspired the devotion of thousands of followers in South Africa as he mobilized a cross-class and inter-religious coalition, pledged to non-violence in their battle against a brutally racist regime. Researched with unequaled depth and breadth, and written with extraordinary grace and clarity, Gandhi Before India is, on every level, fully commensurate with its subject. It will radically alter our understanding and appreciation of twentieth-century India's greatest man.

Nemesis Feb 17 2020 Orphan Black meets Lord of the Flies in this riveting new thriller from the co-author of the Virals series. It's been happening since Min was eight. Every two years, on her birthday, a strange man finds her and murders her in cold blood. But hours later, she wakes up in a clearing just outside her tiny Idaho hometown—alone, unhurt, and with all evidence of the horrifying crime erased. Across the valley, Noah just wants to be like everyone else. But he's not. Nightmares of murder and death plague him, though he does his best to hide the signs. But when the world around him begins to spiral toward panic and destruction, Noah discovers that people have been lying to him his whole life. Everything changes in an eye blink. For the planet has a bigger problem. The Anvil, an enormous asteroid threatening all life on Earth, leaves little room for two troubled teens. Yet on her sixteenth birthday, as she cowers in her bedroom, hoping not to die for the fifth time, Min has had enough. She vows to discover what is happening in Fire Lake and uncovers a lifetime of lies: a vast conspiracy involving the sixty-four students of her sophomore class, one that may be even more sinister than the murders.

Under Mr. Nolan's Bed (Original) Feb 23 2023 ORIGINAL - Uncut, Uncensored, Unrevised! Leah and Erica have been best friends and have gone to the same Catholic school since just about forever. Leah spends so much time with the Nolan's—just Erica and her handsome father, now, since Erica's mother died—that she's practically part of the family. When the girls find something naughty under Mr. Nolan's bed, their strict, repressive upbringing makes it all the more exciting as they begin their sexual experimentation. Leah's exploration presses deeper, and eventually she finds herself torn between her best friend and her best friend's father—but even she couldn't have predicted the shocking and bittersweet outcome of their affair. Warnings: This title contains erotic situations, lesbian sex, some very naughty taboo sex, sex toys, and also makes mention of pornography, salmon, amusement parks, chocolate covered strawberries, brownies (as well as girl scouts), plaid skirts, naughty uses for confessionals and some sacrilegious humor.

Interstellar Nov 20 2022 In Interstellar a group of explorers make use of a newly discovered wormhole to surpass the limitations on human space travel and conquer the vast distances involved in an interstellar voyage. The screenplay of Interstellar is written by Christopher Nolan and his frequent collaborator, Jonathan Nolan. In addition to the screenplay, this screenplay book also contains over 200 pages of storyboards and an Introduction featuring a conversation about the film with Christopher Nolan and Jonathan Nolan. The screenplay book is based on the film from Warner Bros. Pictures and Paramount Pictures. Interstellar and all related characters and elements are trademarks of and © Warner Bros. Entertainment Inc. (s14).

Interpretation Aug 25 2020 In recent decades the explosive growth of globalization and regional integration has fuelled parallel growth in multilingual conferences. Although conference interpreting has come of age as a profession, interpreter training programs have had varied success, pointing to the need for an instructional manual which covers the subject comprehensively. This book seeks to fill that need by providing a structured syllabus and an overview of interpretation accompanied by exercises in various

aspects of the art. It is meant to serve as a practical guide for interpreters and as a complement to interpreter training programs in the classroom and online, particularly those for students preparing for conference interpreting in international governmental and business settings. This expanded second edition includes additional exercises and provides direct links to a variety of web-based resources and practice speeches, also including additional language combinations.

The Dark Knight Trilogy Nov 27 2020 (Book). At nearly six hundred pages, *The Dark Knight Trilogy*, a behemoth of script and storyboards, captures on the page the dark mythic expanse of the cinematic Batman. These definitive, vibrant film blueprints published on the heels of the final film's closely guarded release are destined to be enshrined on every fan's bedside table, studied in universities, and emulated by filmmakers.

Interface Jan 30 2021 From his triumphant debut with *Snow Crash* to the stunning success of his latest novel, *Quicksilver*, Neal Stephenson has quickly become the voice of a generation. In this now-classic thriller, he and fellow author J. Frederick George tell a shocking tale with an all-too-plausible premise. There's no way William A. Cozzano can lose the upcoming presidential election. He's a likable midwestern governor with one insidious advantage—an advantage provided by a shadowy group of backers. A biochip implanted in his head hardwires him to a computerized polling system. The mood of the electorate is channeled directly into his brain. Forget issues. Forget policy. Cozzano is more than the perfect candidate. He's a special effect. "Complex, entertaining, frequently funny."—*Publishers Weekly* "Qualifies as the sleeper of the year, the rare kind of science-fiction thriller that evokes genuine laughter while simultaneously keeping the level of suspense cranked to the max."—*San Diego Union-Tribune* "A Manchurian Candidate for the computer age."—*Seattle Weekly*

Dino Pajama Party Sep 18 2022 Join the dinos for a bash before bedtime! Much like us, dinosaurs love to have fun. Dinosaurs from all around gather together to play instruments, dance, and sing before bedtime. But soon the dinosaurs grow tired and need their rest. This is a book that's sure to have kids following the dinos' lead as they get ready to go to sleep.

Zero History Dec 29 2020 Hollis Henry never intended to work for global marketing magnate Hubertus Bigend again. But now she's broke, and Bigend has just the thing to get her back in the game... Milgrim can disappear in almost any setting, and his Russian is perfectly idiomatic—so much so that he spoke it with his therapist in the secret Swiss clinic where Bigend paid for him to be cured of his addiction... Garreth doesn't owe Bigend a thing. But he does have friends from whom he can call in the kinds of favors powerful people need when things go sideways... They all have something Bigend wants as he finds himself outmaneuvered and adrift, after a Department of Defense contract for combat-wear turns out to be the gateway drug for arms dealers so shadowy they can out-Bigend Bigend himself. "Zero History is [Gibson's] best yet, a triumph of science fiction as social criticism and adventure."—*BoingBoing.net*

Two For the Money Oct 27 2020 A brand-new edition of the first two classic Nolan novels, *Bait Money* (1973) and *Blood Money* (1973), now with a beautiful new cover painting. AFTER 16 YEARS ON THE RUN, WOULD NOLAN BURY THE HATCHET WITH THE MOB... OR WOULD THEY BURY HIM FIRST? They don't come tougher than Nolan - but even a hardened professional thief can't fight off the entire Chicago mafia. So when an old friend offers to broker a truce, Nolan accepts the terms. All he has to do is pull off one last heist - and trust the Mob not to double cross him. Fortunately, Nolan has a couple of things going for him: an uncanny knack for survival and an unmatched hunger for revenge...

How to Read Literature Like a Professor Revised Edition Feb 28 2021 A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. *How to Read Literature Like a Professor* helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

Front Yard Gardens Jan 18 2020 In *Front Yard Gardens*, Primeau explains how an environmentally friendly and well-planned front yard garden is a small step toward healing the damage done by pesticides and other lawn-care products. This book covers planning and designing, and outlines the steps involved in removing grass, enriching the soil and planting. Primeau discusses the key elements of various front yard garden styles, gives tips on how to create and maintain the garden, and provides lists of complementary plants.--COVER.

Save the Cat! Dec 09 2021 This ultimate insider's guide reveals the secrets that none dare admit, told by a show biz veteran who's proven that you can sell your script if you can save the cat!

The Turn of the Screw Jun 22 2020 *The Turn of the Screw*, originally published in 1898, is a novella written by Henry James. The story, a part of Gothic and ghost story genres, first appeared in serial format in *Collier's Weekly* magazine (27 January – 16 April 1898). In October 1898 it appeared in *The Two Magics*, a book published by Macmillan in New York City and Heinemann in London. Due to its original content, *The Turn of the Screw* became a favorite text of academics who subscribe to New Criticism. The novella has had differing interpretations, often mutually exclusive. Many critics have tried to determine the exact nature of the evil hinted at by the story. However, others have argued that the brilliance of the novella results from its ability to create an intimate sense of confusion and suspense within the reader.

Shattered Love Apr 13 2022 In *Shattered Love*, Richard Chamberlain poignantly recounts his lifelong struggle to find happiness. Tracing a fascinating path over his meteoric rise to success, he chronicles his struggle to come to terms with his own imperfections, his growing desire to be honest about his sexual orientation, and his yearning to live with an open heart. And along the way he imparts the lessons he has learned about overcoming our own self-imposed obstacles to happiness.

Crumpled Paper Dolls Dec 17 2019 In *Crumpled Paper Dolls: A New Orleans Poet*, a book of poetry, prose, and journals, Matthew Nolan ignites our senses, depicts the world without filters, demands examination and self-reflection. With the vivid imagery of words, he holds a mirror to our face and makes us see all we hide away. This at first seems like a distortion, but is really an honesty that makes us uncomfortable. Nolan's journals chronicle the struggle of a man pursuing his dream in a world of trials and a mind of dark shadows. In Nolan's writing, nothing is good or bad. It just is. His writing takes us to a place we don't want to talk about, but now may be willing to discuss.

Taken May 02 2021 Lizzy's friendship with her older boss, Sarah, turns into something deeper and much more exciting one rainy day after work, and Lizzy finds herself drawn into a world she never knew existed. Lizzy may think she and Sarah are going to seduce David--but she underestimates their handsome co-worker, and David turns the tables on them both. But will he be able to tame the untameable Sarah?

The Calorie Counter, 6th Edition Sep 06 2021 Completely revised with more than 20,000 food entries, this latest edition features more than 80 national and regional restaurant chains, hundreds of take-out foods, and the widest assortment of brand name, generic, and ethnic foods found anywhere. Original.

A Convenient Arrangement Oct 07 2021 Cuffing season has come for lesbians. Jess Archer, digital journalist for the internet's hottest lesbian media platform, has been assigned to research cuffing, from an up close and personal perspective. She's not sure it's really her thing, but the assignment gives her the chance to write something more substantial than her usual fluff pieces. All she needs now is a willing lesbian. For Cody Dawson, signing up for Jess's project is a no-brainer. She gets to date an interesting woman, enjoy her company, and not disrupt the tidy life she's built for her son. Everything's perfect until she starts falling for Jess. When she realizes she's heart-deep in the feelings she's agreed not to have, their convenient arrangement becomes anything but.

Communication Between Cultures Aug 05 2021 Packed with current research and examples, bestselling **COMMUNICATION BETWEEN CULTURES, 9E** equips readers with a deep understanding and appreciation of different cultures while helping them develop practical communication skills. Part I introduces the study of communication and culture; Part II focuses on the ability of culture to shape and modify our view of reality; Part III puts the theory of intercultural communication into practice; and Part IV converts knowledge into action. This is the only text to consistently emphasize religion and history as key variables in intercultural communication. Compelling examples help readers examine their own assumptions, perceptions, and cultural biases--so they can understand the subtle and profound ways culture affects communication. The ninth edition offers expanded discussions of the impact of globalization, a new chapter on intercultural communication competence, and more coverage of new technology. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Ghosts from Our Past Jul 04 2021 As seen in the Sony Pictures 2016 film *Ghostbusters*, the ultimate guide to identifying, understanding, and engaging with any paranormal activity that plagues you Years before they made headlines with the *Ghostbusters*, Erin Gilbert and Abby L. Yates published the groundbreaking study of the paranormal, *Ghosts from Our Past*. Once lost to history, this criminally underappreciated book is now updated for the new century. According to Gilbert and Yates, “extraordinary claims require extraordinary evidence,” and whether you’re a believer or a skeptic, you’ll find the information you’re seeking right here in this extraordinary book, including: • The childhood experiences that inspired Erin and Abby’s lifelong passion for the scientific study of the paranormal • The history of ghosts and other supernatural entities, the science that explains their existence, and profiles of the groundbreaking paranormal researchers who have investigated them • An illustrated guide to Class I through Class VII ghosts • Helpful sidebars like “A Ghost by Any Other Name” and “Ectoplasm Cleanup Tips” • Updates including “The Ghostbusters’ Arsenal” by Jillian Holtzmann and “Haunted History” by Patty Tolan • A new Ghostbusting Resources appendix, featuring the “Paranormal Quickstart Guide”, “Is It a Ghost? A Handy Quiz”, “A Supernatural Stakeout Journal”, “The Devil’s Dictionary: Paraterminology You Need to Know” With this helpful—and hilarious—official *Ghostbusters* guide in hand, you’ll be prepared for almost any spirit, spook, or spectre that comes your way. As for the rest, you know who to call.

Chaser Mar 20 2020 Shares the uplifting story of a Border Collie who recognized an unprecedented number of human words to explore her role in advancing understandings about animal intelligence, recounting how she also demonstrated an ability to use deductive reasoning and imitation. 100,000 first printing.

Spook Country Sep 25 2020 Multilingual Tito engages in sensitive information transfers from his single-room apartment, while journalist Hollis frets over her start-up magazine’s censure of its own promotions, and prescription drug addict Milgrim wonders about the military connections of an enigmatic benefactor. Reprint.

The Banyan Tree Dec 21 2022 Minnie O’Brien reflects back on her long life in rural Ireland and her struggle to hand her farm over to her youngest son.

In Their Lives Jan 10 2022 The perfect gift for any Beatles fan, *In Their Lives* is an anthology of essays from a chorus of twenty-nine luminaries singing the praises of their favorite Beatles songs. The Beatles’ influence—on their contemporaries, on our cultural consciousness, and on the music industry ever after—is difficult to overstate. We all have a favorite song from the band that made us want to fall in love, tune in, and follow our dreams. Arranged chronologically by the date of the song’s release, these essays highlight both the Beatles’ evolution as well as the span of generations their music affected. Whether they are Beatlemaniacs who grew up listening to the iconic albums on vinyl or new fans who stream their favorite songs on their phones, all of the contributors explore that poignant intersection between Beatles history and personal history. With contributions from twenty-nine authors and musicians—Roz Chast on “She Loves You,” Jane Smiley on “I Want to Hold Your Hand,” Rosanne Cash on “No Reply,” Gerald Early on “I’m a Loser,” Rick Moody on “The End,” Maria Popova on “Yellow Submarine,” David Duchovny on “Dear Prudence,” Chuck Klosterman on “Helter Skelter,” David Hajdu on “You Know My Name (Look Up the Number),” and more—the breadth of the band’s impact is clear. From musings on young love and family strife to explorations of racial boundaries and identity, these essays pay tribute to a band that ran the gamut of human experience in a way no musical group has done before or since. Timed for the fiftieth anniversary of the release of Sgt. Pepper’s Lonely Hearts Club Band, this anthology captures the full spectrum of reasons fans still love the Fab Four after all these years. “*In Their Lives* is full of pleasant surprises.”—*New York Times*

Good Economics for Hard Times Jun 03 2021 The winners of the Nobel Prize show how economics, when done right, can help us solve the thorniest social and political problems of our day. Figuring out how to deal with today’s critical economic problems is perhaps the great challenge of our time. Much greater than space travel or perhaps even the next revolutionary medical breakthrough, what is at stake is the whole idea of the good life as we have known it. Immigration and inequality, globalization and technological disruption, slowing growth and accelerating climate change—these are sources of great anxiety across the world, from New Delhi and Dakar to Paris and Washington, DC. The resources to address these challenges are there—what we lack are ideas that will help us jump the wall of disagreement and distrust that divides us. If we succeed, history will remember our era with gratitude; if we fail, the potential losses are incalculable. In this revolutionary book, renowned MIT economists Abhijit

V. Banerjee and Esther Duflo take on this challenge, building on cutting-edge research in economics explained with lucidity and grace. Original, provocative, and urgent, Good Economics for Hard Times makes a persuasive case for an intelligent interventionism and a society built on compassion and respect. It is an extraordinary achievement, one that shines a light to help us appreciate and understand our precariously balanced world.

Acute Rheumatic Fever and Rheumatic Heart Disease, E-Book Jun 15 2022 Acute Rheumatic Fever and Rheumatic Heart Disease is a concise, yet comprehensive, clinical resource highlighting must-know information on rheumatic heart disease and acute rheumatic fever from a global perspective. Covering the major issues dominating the field, this practical resource presents sufficient detail for a deep and thorough understanding of the latest treatment options, potential complications, and disease management strategies to improve patient outcomes. Divided into four distinct sections for ease of navigation: Acute Rheumatic Fever, Rheumatic Heart Disease, Population-Based Strategies for Disease Control, and Acute and Emergency Presentations. International editors and chapter authors ensure a truly global perspective. Covers all clinical aspects, including epidemiology, pathophysiology, clinical features, diagnosis, management, and treatment. Includes key topics on population-based measures for disease control for effective primary, secondary, and tertiary prevention. Consolidates today's available information and guidance into a single, convenient resource.

Under Mr. Nolan's Bed Nov 08 2021 Leah and Erica have been best friends and have gone to the same Catholic school since just about forever. Leah spends so much time with the Nolans—just Erica and her handsome stepfather now, since Erica's mother died—that she's practically part of the family. When the girls find something naughty under Mr. Nolan's bed, their strict, repressive upbringing makes it all the more exciting as they begin their sexual experimentation. Leah's exploration presses deeper, and eventually she finds herself in love for the first time, torn between her best friend and her best friend's stepfather.-----This title contains erotic situations, lesbian sex, sex toys, some very naughty stepfather/stepdaughter incest and also makes mention of pornography, salmon, amusement parks, chocolate covered strawberries, brownies (as well as girl scouts), plaid skirts, naughty uses for confessionals and some sacrilegious humor.-----NOTE: If incest is too intense for you (even between step-relations) check out the guilt-free version of this story called PLAID SKIRT CONFESSIONS by Selena Kitt!-----EXCERPT:“I saw you, Mr. Nolan.”His jaw dropped and he looked at me, incredulous. “Saw me?”“The night you came into the bathroom. Do you remember that?”Glancing at him, I saw him nod, his face pale again. “I watched you,” I admitted, my voice almost a whisper. “Touching yourself.”“Oh Christ,” he whispered, closing his eyes. “I can't stop thinking about it,” I confessed. “Seeing you stroking yourself while you watched that man on the screen fuck those two girls...”His eyes met mine, and I saw the shock in them at my language, but there was something else too, that wasn't just shock. I'd seen it before, in the kitchen when he'd looked up my skirt, and a moment ago too, when he'd walked in and caught me masturbating. “I can't stop thinking about you,” I whispered, moving my hand up his thigh, high enough to feel that he was hard. I was encouraged by that, and the alcohol made me feel more free, like I'd drunk some liquid courage. “Leah, I know this kind of thing can be confusing.” He took my hand and put it in my lap with a shaky sigh. “I'm not confused,” I insisted, sliding down to the floor and kneeling between his legs. He shook his head, but I wrapped my arms around his waist, pressing my cheek against his crotch and nuzzling there. “Oh hell,” he whispered, and I felt his hand moving in my hair, the lightest of touches. “Please,” I murmured, turning my face, so my mouth moved over the hard length of him in his trousers. “I want to.”I had him unzipped quickly, reaching in to find him, looking up into his eyes. He was dazed, startled, even a little horrified, but there was something underneath that, and whatever it was kept him from stopping me. He didn't say no as I freed his cock and took it into my hand.

Change Agent Apr 20 2020 2045. Kenneth Durand leads Interpol's most effective team against genetic crime, hunting down black market labs that perform illegal procedures, augmenting embryos and rapidly accelerating human evolution-- and preying on human-trafficking victims to experiment and advance their technology. One figure looms behind it all: Marcus Demang Wyckes, leader of a cartel known as the Huli jing. When Durand is forcibly dosed with a radical new change agent, he wakes from a coma weeks later to find he's been genetically transformed into Wyckes. Determined to restore his original DNA, Durand hasn't anticipated just how difficult locating his enemy will be.

Stat Labs Jul 16 2022 Integrating the theory and practice of statistics through a series of case studies, each lab introduces a problem, provides some scientific background, suggests investigations for the data, and provides a summary of the theory used in each case. Aimed at upper-division students.
